

# MADISON SCHOOL OF HEALTHCARE RN TO BSN SCHOLARSHIP APPLICATION

Apply for a full scholarship to the RN to BSN online program at the Madison School of Healthcare at Ashworth College.

The new RN to BSN online program at the Madison School of Healthcare is designed specifically for registered nurses with an associate degree or nursing diploma. The curriculum includes 11 nursing courses and 9 liberal arts and sciences courses.

Created especially for busy, working adults, the RN to BSN online program at the Madison School of Healthcare allows students to schedule study time to fit their lifestyle. There are no scheduled class times or lectures to log in to. You work at your own pace and take tests when you're ready. You'll also have a personal advisor who is in frequent contact via phone, email, and web conferencing to ensure your success and progress.

The Madison School of Healthcare RN to BSN online program focuses on developing the professional nurse to be a leader in providing high-quality, evidence-based, patient-centered care in a complex health care system. Building on the RN's skills and experience, the program integrates professional development, critical thinking, quality improvement, safety, and interprofessional leadership skills to foster professional practice.

Madison's RN to BSN Scholarship program recognizes and rewards outstanding nursing students who want to expand and enrich their career. Ashworth College will award a limited number of scholarships that cover the full tuition and fees of the RN to BSN program. Students must maintain a 2.0 GPA to remain eligible to receive funding.

To be eligible to apply for the full scholarship to the RN to BSN online program at the Madison School of Healthcare, you must meet the below listed requirements.

## Scholarship Requirements

The criteria for scholarship eligibility includes the following:
